### WOODBURY METHODIST CHURCH

To Whom It May Concern:

When we built our new youth room, we were excited to start using it. We wanted a multi-purpose space to hold small concerts, speakers and to have a place for kids to hang out and play games. The only problem was that no one could hear a word anyone else said without speaking a lot louder and more exaggerated. We had a great space, but a terrible echo! It was a struggle to have meetings, or any youth activities. We had a great sound system, but couldn't use it. Before we installed our acoustical treatments, the echo lasted almost 4 seconds, now it is down to less than one. Better than that, people want to use the space. Now we can use it for everything we planned on and more!
